For Full Information Call On Any Ticket Agent, Or Address

H. C. KING, Passenger and Ticket Agent,
101 E. Main St. LEXINGTON, KY.**Will Enlighten Ministers.**

With a view of better acquainting the ministers of the State with the agricultural conditions existing in Kentucky, and also with methods for improvement of the conditions, the College of Agriculture of the State University has inaugurated a novel enterprise to bring these conditions before the ministers. In order to get the matter before the ministers, Prof. I. R. Bryant, superintendent of the extension division of the college, has planned for a special course of four days, beginning June 8. He has sent out circular letters to 3,000 ministers of all denominations, inviting them to attend the special course.

Following is a copy of the letter, which is self-explanatory:
Realizing that the minister has much influence in the way of shaping the thought of his community, not only in things spiritual, but also in regard to temporal affairs, the College of Agriculture of the State University has arranged for four days of special work for ministers. The design of this work is to better acquaint the minister with the agricultural conditions of Kentucky and also with methods for other improvement.

Equipped with the information obtainable in this short course, the minister will be able to be even more than ever a leader in his community and a public benefactor.

This course begins Tuesday, June 1, and continues four days. The work will consist of lectures and laboratory work, and will be not only highly profitable, but also quite enjoyable. All is absolutely free.

Deafness Cannot be Cured

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, Deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars free.

Take Hall's Family Pills for constipation.

Freak Chicken.

The Cynthia Democrat says:
"John W. Landrum, of the Breckinridge neighborhood, is the possessor of a four-legged chicken, which was hatched Saturday. One of the extra legs sprouts from a knee and the other one is from the breast bone. The infantile wonder causes much speculation its father and mother, like Gen. Tom Thumb's parents, were normal fowls with only two legs apiece, and there is no explanation of the little chick's extra extremities, unless it was making a valiant effort to combine the legs of its parents. A four-legged variety of chicken ought to be very popular with Methodist preachers."

Drives Off a Terror.

The chief executioner of death in the winter and spring months is pneumonia. Its advance agents are colds and grip. In any attack by one of these maladies no time should be lost in taking the best medicine obtainable to drive it off. Countless thousands have found this to be Dr. King's New Discovery. "My husband believes that it has kept him from having pneumonia three or four times," writes Mrs. George W. Place, Rawsonville, Vt., "and for coughs, colds and croup we have never found its equal." Guaranteed for all bronchial affections. Price 50 cents and \$1.00. Trial bottle free at Oberdorfer's.

Proved His Chivalry.

Visitor—"You say that old reprobate over there used to be one of the politest men in town? I suppose he'd give up his seat in a street car to a woman." Native—"Polite? Say, stranger, that man gave up his seat in heaven for a woman."—Satire.

STOCK, CROP AND FARM NOTES.

—One of the best sales of dairy cattle ever held in Shelby county occurred last week, when ninety-three head of registered Jerseys were sold by W. R. Spahn for prices that nearly marked a record. The highest price was paid by Undulatta Stock Farm, Col. Harry Weissenger for the noted bull, Fontaine Chief. Col. Weissenger paid \$5,100 for him. Five daughters of Noble of Oakland were sold at \$800, an unusual price for heifers. Rochette's Noble was sold to an Oregon buyer for \$1,050, and a nine-months-old heifer by Noble of Oakland was sold to Elmendorf for \$1,075. On the ninety-three head the average price was \$915.

—The highest price since 1882 was reached by beef in the wholesale market in New York recently when it sold at 13 1-2 cents a pound in bulk. It is said to mean from 1 1-2 to 2 cents a pound increase for prime meats at retail. The primary cause of the high prices, the wholesale men say, is continued scarcity of cattle. Small retail dealers continue to talk of ruination of their business because consumers are greatly curtailing meat purchases.

—A great deal of complaint is being made by farmers of Woodford county of the failure of corn they planted to come up. Some of the trouble is due to bad seed, which failed to germinate, and much of it was caused by hard crusts forming in the fields after the heavy rains that followed the planting. A number of farmers have plowed up their fields and replanted.

—Simon Dinkerspeil, of Louisville, Monday purchased for a consideration which has not been disclosed, the 1912 wool pool of the Kentucky Wool Growers' Association, a branch of the American Society of Equity. Sealed bids on the pool were opened Monday night at the Willard Hotel and Mr. Dinkerspeil's bid was the best submitted.

Master Commissioner's Sale

—OF—

City Property and Lots.

BOURBON CIRCUIT COURT.

Mrs. W. W. Massie's Administrator,
Plaintiff,
vs. Notice of Sale.
Her Legatees, Defendants.

The undersigned Master Commissioner will, pursuant to the order of sale made at the March, 1912, term of the Bourbon Circuit Court on

Thursday, June 20, 1912,
